The Sanderling Spa

the perfect place...

to be pampered.

*This is a rare place,
where Serenity seems to
surround you.*

Tucked beside the tranquil waters of Currituck Sound, just a short stroll from the Inns, is one of the most soothing retreats imaginable. The much-acclaimed Sanderling Spa provides not only a full menu of spa services, but also some of the best views on the Outer Banks. This is a rare place, where serenity seems to surround you. In a world in which all our senses are too often assaulted, here they are caressed and carefully tended to.

No wonder so many of our guests consider time at the Sanderling Spa an essential part of their visit. Our friendly staff members are licensed spa technicians, trained in the most advanced American and European spa techniques. The Sanderling Spa's menu of services offers a wide range of delightful massage, body, skin and nail care treatments. Many are created uniquely for The Spa utilizing sea mud and minerals of local provenance.
