The Sanderling

The perfect place to be.

the perfect place...

for new beginnings.

*It is quite all right
to seek perfection.*

For this very special time in your life we believe it is quite all right to seek perfection. In fact, you should settle for nothing less. And perfection is always the goal of our wedding planning staff.

Of course, our Outer Banks location gives us a really good head start on that quest. The Sanderling is in the unspoiled town of Duck, between the dunes and beaches of the Atlantic Ocean and scenic Currituck Sound.

There are several ceremony sites from which to choose. For beachside weddings, there is the Main Inn Oceanside Deck. For sunset weddings there is our tented soundside pavillion.

Our Oceanside Lawn site is nestled alongside the natural dune line, adjacent to our Conference Center. All sites can accommodate 175 guests.

For the perfect reception we also offer a number of options. Our Swan and Heron Rooms open to an oceanside deck, which can be tented.

Our wedding planners will help you with the smallest and largest details. They are ready to do everything and anything to make your wedding day nothing short of perfect. Please call us at 800-701-4111 or visit www.thesanderling.com for more details.
